7, Santa's Posse was created as a way of contributing back to our community. We started with the collection and distribution of food for a holiday dinner and toys to 43 Clark County families. Each year we have set a goal for families. This past year, our department in partnership with the Rotary Clubs of Clark County, collected enough food, toys and gifts to visit approximately 300 families, including more than 900 children! A holiday dinner is a treat to give a child, so we provided each family with a food basket, including a ham.

In addition to making a brighter season for children and their families, Santa's Posse also helps to increase community Policing efforts in Clark County by providing positive contacts

by Rotarian member, Representatives of Fire District 6, and possibly one of our Santas.

We have had a wonderful response to this worthwhile program. If you would like to make a donation or participate in this annual event, give us a call! A representative of either organization will be happy to contact you.

Bring your donations of new, unwrapped toys, toiletry items, cosmetics, small gifts for adults, and non-perishable food items to one of the listed locations on or before Sunday, December 17, 2006.
